SUBJECT: FINANCIAL AID

REVIEWER(S): CCHS Board of Directors

I. POLICY

Carolinas College of Health Sciences makes available for qualified students both federal and non-federal student aid including Pell Grants, William D. Ford Federal Direct Loans, PLUS Loans, alternative loans, SEOG, work-study, scholarships, state grants and loans, and the CHS Educational Forgiveness Loan.

The philosophy of student aid is to provide access and choice to students who, without such assistance, would not be able to attend the college. A Financial Aid Policy and Procedures Manual is maintained in the financial aid office and is available for all students to access.

The college is committed to helping students access external sources of aid, as needed.

The dean of administrative and financial services will annually audit randomly selected financial aid loan documentation to ensure compliance with department of education and college policies.

The college administers financial aid without regard to race, color, age, religion, gender, sexual orientation, gender identity, national origin, veteran status, disability, genetic information, or any other basis prohibited by law.
